***Past President Communiqué #2
November 2023***

TO: Parish Past Presidents
**CC: Provincial Executive: National Past President, Fran Lucas: National President,
Shari Quinta**
FROM: Marilyn Gay Garvey, Provincial Past President

As we get into our new year with meetings and activities, we have probably already started the new organizational structure or are preparing for it. The role of Past President has not changed. This fall the Provincial Executive plan to continue their second meeting with our councils on the Unity Outreach Project, and this will be an opportune time to address to Provincial and National level what your needs are.

If you have any suggestions for updates, revisions or additions to the National Manual of Policy and Procedure you can submit form #551 (Forms @ cwl.ca) by December 1, 2023.

To assist with the archives and history of your council, I recommend that you print off the "Archives Guidelines for League History, Provincial, Diocesan and Parish Councils", #601 and #602 from the National website cwl.ca under Manuals. This information is very helpful. As Past Presidents, we are encouraged to write 2 or 3 pages outlining our term as President. These highlights become valued historical notes for future council histories. There should be a photograph of the past president and the executive.

May Our Lady of Good Council Bless You,
